### PAST MOMENTS:

1946 - Jackie Armstrong and Betty Kirkpatrick (CATRON) coming up from Myrtle Beach to Wrightsville Beach for a dance at the Lumina. They talked me into going back to Myrtle Beach until Labor Day (approximately 8 days). I accepted. We left Wrightsville about 1:30 AM. We had 3 flat tires during our journey arriving Myrtle Beach o/a 8 AM.

1948 - Sleeping in Chick Hedrick's car for the entire month of July. Roy Rudd (deceased) slept in the back, (those knowing Roy remember his weight at 250 pounds), and I had the front.

☪☪☪ Purple Jesus Parties every Saturday sfternoon on the boardwalk, (the tourists contributing - of course).

1950 - Harry Driver asking me to help him run a club in Myrtle Beach. Although we stayed at the club there was a problem in the lease resulting in ONLY ONE NITE of OPERATION (I think Labor Day). It was a fun 30 days though.
